

Long-Reining

- Teaching softness in the bridle
- Achieving self-carriage and building top-line
 - Understand how to break the lesson down
- Setting your horse up for success under saddle
 - Gain impulsion, attention and relaxation

Sat 30th January, \$50

Come along for a day of learning that you can take home and apply to your horses. The focus is, as always, 'teaching you to train your horse'. Practical and useful techniques centered around your horse's welfare.
